Ski Archery World Championships (historical)

The rules are borrowed from the Olympic winter sports Biathlon. The ski archers shot at folding targets (16 cm in diameter) at 18 m. Three to four arrows are available at every shooting. The name was Archery Biathlon until 2005.
Until 2001 and again since 01.04.2005 the sport is under the control of World Archery. In between, it was under the control of the Biathlon World Association IBU.
