

Indoor Cycling at the World Games (historical)

The International World Games Association (IWGA, founded in 1981) organizes the World Games every 4 years. Thus, an International Sports Federation (IF) can become a member of the IWGA; it must satisfy two essential conditions:

- The IF must be a member of **GAISF** (the umbrella organization for all (Olympic and non-Olympic) international sports federations),
- Their sport does not belong to the current Olympic program.

Since 1989, the World Games have been under the special patronage of the IOC.

Only at the 3rd World Games 1989, Jul 20 - 30 in Karlsruhe FRG, indoor cycling was an official sport.
