

## European Combined Events Team Championships (defunct)

The former European Cup Combined Events was originally held in the knockout system with preliminary rounds and finals. Since 1983, the European Cup Combined Events was divided into divisions (A, B, C) with relegation and promotion. In 1993, the A, B and C finals were renamed to Super, First and Second League.

Each nation participated with four athletes, the best three of them scored for the team ranking.
