

European Champion Clubs Cups (ECCC) (defunct)

Due to the large number of participating teams, divisions were made in 1988 for men and 1995 for women. Each club participates with one athlete per discipline. Only in the men's competition were allowed two athletes per discipline in 1975 and 1977 - 1982.

Men

1.	1975, May 18	Liège BEL
