<sup>29</sup> Since 2009, the first four have then competed a semi-final (1<sup>st</sup> vs. 4<sup>th</sup> and 2<sup>nd</sup> vs. 3<sup>rd</sup>). In the semifinals and the finals for gold and bronze each shooter had one shot. After each pair of shots, the shooter with the higher score (incremental scoring) received one point (with identical score each shooter received one point). As soon as a shooter had reached 6 points, the "duel" was over. Since 2013, the shooting extends until a shooter is 2 points ahead.

In the semifinals and the finals for gold and bronze each shooter had one shot. After each pair of shots, the shooter with the higher score (incremental scoring) received one point (with identical score each shooter received one point). As soon as a shooter had reached 6 points, the "duel" was over. Since 2013, the shooting extends until a shooter is 2 points ahead.
